

# Kingstone Academy Trust Scheme of Delegation

## Governance Structure and Lines of Accountability

The KAT Board of Trustees delegates responsibility for the day to day running of the Academy to the CEO. The Board will hold the CEO to account for the performance of the Academy. The CEO in turn holds other members of the Academy Leadership Team to account by line managing them. While the Board cannot ever delegate its accountability, it can delegate some of the detailed scrutiny, oversight and decision making.

The CEO will report to the Board on the performance of the Academy, although this will be supplemented by the monitoring of committees and individual trustees with any delegated responsibilities.

The CEO is performance managed by the Board.

## Roles and Responsibilities

### The role of the Members

The members of the trust have a different status to trustees. Originally they will have been the signatories to the memorandum of association and will have agreed the trust's first articles of association. The articles of association will also describe how members are recruited and replaced, and how many of the trustees the members can appoint to the Board. The members appoint trustees to ensure that the trust's charitable object is carried out and so must be able to remove trustees if they fail to fulfil this responsibility. Accordingly, the Board submits an annual report on the performance of the trust to the members. Members are also responsible for approving any amendments made to the trust's articles of association.

While members are permitted to be appointed as trustees, in order to retain a degree of separation of powers between the members and the trust Board, and in line with DfE expectations, not all members should be trustees. The DfE has amended the model articles to state that members are not permitted to be employees of the academy trust.

### The role of the Trustees

KAT is a charitable company and so trustees are both charity trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors.

The trustees are responsible for the general control and management of the administration of the trust, and in accordance with the provisions set out in the memorandum and articles of association and its funding agreement, it is legally responsible and accountable for all statutory functions, for the performance of the trust, and must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements. In addition, it must carry out the three core governance functions:

1. Ensure clarity of vision, ethos and strategic direction
2. Hold the CEO to account for the educational performance of the trust and its pupils, and the performance management of staff
3. Oversee the financial performance of the trust and make sure its money is well spent

The Board of Trustees has the right to review and adapt its governance structure at any time which includes removing delegation.

**The role of Trust Board Committees**

The trustees may establish committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the trust Board. The membership (there must be at least three trustees) and responsibilities of Board committees are set out in the committee’s terms of reference. It is usual for the trust Board to appoint Board committee chairs and committee members according to their skills.

The Academy Trust Handbook makes it clear that the Board of Trustees ‘should have a finance committee to which the Board delegates financial scrutiny and oversight’.

**The role of the CEO**

The CEO has the delegated responsibility for the operation of the trust.

The CEO is the accounting officer so has overall responsibility for the operation of the academy trust’s financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

The CEO leads the academy leadership team (ALT) of the academy trust. The CEO will delegate management functions to the ALT and is accountable to the trust Board for the performance of the LT.
